**Condition of use for our services provided**

After signing up for our services mostly digital provided on a server side, client side, cloud base, we strongly recommend to sign up for SSL as well. SSL (Secure Sockets Layer) is the standard security technology for establishing an encrypted link between a web server and a browser. This link ensures that all data passed between the web server and browsers remain private and integral. SSL is an industry standard and is used by millions of websites in the protection of their online transactions with their customers. We will provide the online server space, and assistance to configure a safe environment, and recommend the implementations to maintain it save for you and your clients, the responsibility to control access and to keep it save is entirely of the owner and administrator of the site and system. The client signing up for our services is entirely responsible for the proper workings of how the system is to be used, the client is also responsible for any dispute the service can cause between parties, and to take steps and precautions to keep it secure, don't break any municipal laws, state laws, federal laws from any of the countries we provide services to, we hold the right to cancel the service anytime.

**Authorization for Monthly Recurring Credit Card Charge**

I and the client signing this digital form and authorize Computer Graphics Studio 27 Inc. to charge my credit card account on a monthly basis for amounts I owe.

I understand that this authorization is valid until either this authorization or provided services are canceled. I also understand this authorization is for the established monthly rate only, and that payment of additional work is not included in this authorization.

I agree to notify Computer Graphics Studio 27 Inc. of any changes to my credit card account information. I also agree that electronically transmitted (e.g. faxed, emailed, electronic forms) copies of this agreement shall be deemed to be the original.
